This End Up Furniture Company was founded in 1974 on one basic principle: to design and build solid wood furniture that is made to last.

We offer a common sense approach to contract furniture, making it easy for you to make one of the best buying decisions possible and provide a long-term investment for the future of your organization. You will find our selection classic, versatile and extremely durable.

Although many have attempted to copy the style of our furniture, they have not been able to match the quality or our dedication to customer service.

We are committed to meeting the needs of our commercial customers, such as universities, resident care programs, and health care facilities. Whenever attractive, solid, low-maintenance furniture is a must, This End Up has a solution. Our multiple product lines provide decorating options that allow our customers to create a long-lasting home-like atmosphere.

Our knowledgeable contract sales team understands the dynamics of the contract environment, including space planning and fire codes. They also understand fiscal limitations and can create a program to meet your budget. In fact, you will find that our team is as dependable as our furniture.

THE RIGHT LOOK FOR YOUR FACILITY

This End Up Furniture is designed to be versatile, making it easy to find pieces that fit your current and future needs. Yet as your needs change, so can our furniture.

Our standard finish is a penetrating oil-based Honey Pine with a protective clear lacquer specially formulated to last and enhance our furniture. You can also select Honey Pine without lacquer, Cherry or Unstained Natural with clear

lacquer to complement your décor. Our protective clear lacquer finish is moisture resistant, stain-resistant and easy to clean. You also have the option to select a wood or laminate top for desks, bureaus and tabletops.

We offer a wide variety of fabrics, including those that meet the most stringent fire and safety requirements. Additionally, moisture resistant fabrics and fabrics of superior strength, durability, stain and bacterial resistance are available.

THE RIGHT MATERIALS FOR YOUR FURNITURE

We use only the highest quality kiln-dried, furniture-grade pine. Our furniture is primarily made from Yellow Pine that is plantation grown with an active reforestation program. This wood blends with virtually any décor and is also one of the hardest and most durable furniture-grade woods available. Most importantly, these trees are a fast-growing, renewable resource that our suppliers take great care to protect.

In addition, we apply easy-to-clean finishes that make our furniture extremely simple to maintain.

THE RIGHT OPTIONS FOR YOUR FURNITURE

Our standard finish is a penetrating stain with protective clear lacquer finish that is resistant to virtually all stains to create a spill-proof moisture resistant barrier.

Honey Pine
Stain Only

Honey Pine
with Lacquer

Cherry
with Lacquer

This End Up Collection Contract Guarantee
Limited Warranty of Products Purchased after January 2001

This End Up Furniture Co., Inc. guarantees its furniture against defects in materials or workmanship under normal indoor use for five (5) years. Our foam, fabric, dining/study chairs and working mechanisms are guaranteed for one (1) year from date of delivery. Mattresses carry the guarantee of the manufacturer. A copy of the original invoice or other proof of purchase must accompany claims under our product guarantee. Please note that our furniture is handcrafted and hand finished; therefore, slight variations in color and finish are to be expected as no two pieces of wood are the same.

The presence of knots, unusual grain patterns, rustic feel and a rough hewn look are characteristics of our product and are to be expected. Slight dimensional variations and changes are normal due to the handcrafted nature of our furniture.

For soiled fabrics, we recommend professional upholstery cleaning. Covers should be left on foam for cleaning. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
