

**This End Up Collection Contract Guarantee
Limited Warranty of Products Purchased after January 2001**

This End Up Furniture Co., Inc. guarantees its furniture against defects in materials or workmanship under normal indoor use for five (5) years. Our foam, fabric, dining/study chairs and working mechanisms are guaranteed for one (1) year from date of delivery. Mattresses carry the guarantee of the manufacturer. A copy of the original invoice or other proof of purchase must accompany claims under our product guarantee. Please note that our furniture is handcrafted and hand finished; therefore, slight variations in color and finish are to be expected as no two pieces of wood are the same.

The presence of knots, unusual grain patterns, rustic feel and a rough hewn look are characteristics of our product and are to be expected. Slight dimensional variations and changes are normal due to the hand-crafted nature of our furniture.

For soiled fabrics, we recommend professional upholstery cleaning. Covers should be left on foam for cleaning. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
